Dear Tour Members of HANSON TRAVEL:

THANKS A MILLION FRIENDSHIP FOREVER

Started 47 years ago, we stepped out from Chinatown into the Whole Wide World. Nearly half a century, we travelled with you all over China, moving from East to West, all over Five Oceans and Seven Continents. HANSON TRAVEL tour members, marching in unity, are seen everywhere.

We have always treated our customers as friends, serving them sincerely as from the very beginning, providing them with high quality service. HANSON TRAVEL YOU CAN TRUST is our slogan and practice.

Your support is the source of our moving forward, encouraging us to do better, to create new itineraries, casting a rainbow of colorful experiences. From the vast natural expanse of North and South America to the rich historical cities in Eastern and Western Europe, ten thousand fountains and a thousand hills stayed in our memories; from the boundless wastelands in Africa to the ice capped Arctic and Antarctic, hot and cold reminiscences in our hearts.

We are grateful for your long-time loving care. Thanks a million. Our relations have surpassed travel agent and tour members for many years already. Our friendships are forever.

Due to the worldwide pandemic affecting all businesses and trades, the time is right for HANSON TRAVEL to make this announcement =

HANSON TRAVEL will cease operations as of 18 April 2021.

The office located in the Richmond Pacific Mall will be closed also.

We met fondly by fate. We part due to destiny. Although we are reluctant to give up, we will, however, cherish our friendship forever. We expect to keep our friendship alive with different modes and in various ways to continue the HANSON SPIRIT.

Wishing you all, good health and good luck in coming in and going out,
